

Introductory Course

Pre-Certification course allows you to match product with surgery type, gain practical hands-on fitting experience, and master key fitting techniques. Prepares you for the BOC and ABCOP certification exams.

Advanced Course

A certification by BOC or ABCOP is required to attend an advanced course.

Learn fitting techniques for lumpectomies; reconstruction; larger cup and/or band sizes; and other hard to fit situations. Learn about lymphedema; surgery trends and most up-to-date treatments; discuss medical detailing and how a patient is navigated through a hospital.

Credentials

Amoena Fit Specialist Educational Courses are approved educational programs. **If you are already BOC or ABCOP certified**, you will receive 8 BOC (each for Introductory and Advanced) and 7.5 ABCOP (for Advanced only) Continuing Professional Education units for attending.
